October 17th – Individual Tax Returns are due!

October 17th is the final deadline for all individuals to file their 2004 income tax return
- for taxpayers receiving an IRS-approved extension of time to file (Form 2688).

This is generally the second-busiest tax season for accounting firms in the United States. Stress levels are understandably high, and accountants across the country look for ways to relieve stress. As a sponsor of the Walk to Cure Juvenile Diabetes, accountants at Sol Schwartz & Associates, PC will start **their** October 15th Saturday ‘workday’ with a ‘workout’.

On Saturday October 15, Sol Schwartz & Associates will begin their workday by joining other corporations throughout San Antonio for the *Walk to Cure Diabetes*. This family-oriented event will be held at Milam Park downtown, near Santa Rosa Hospital, and wind through King Williams’s district for 3.2 miles. The walk is open to anyone interested in helping this very important research. All proceeds from the event will support research vital to finding a cure for diabetes.

“Diabetes is a disease that’s close to our hearts and affects many of our families, clients and friends. It’s an honor for us to join other corporations such as Tetco, C.H. Guenther, Bill Miller Bar-B-Que, and Frost Bank in an effort to make a contribution to find the cure” says Managing Shareholder Jeff Albrecht.

Approximately 16 million Americans suffer from diabetes. It is even more heartbreaking when you consider that millions of children are affected with this lifelong disease.
