Betty is a Tax Manager with the firm and joined the firm in 1986. Betty's work experience includes tax return preparation, preparation of financial statements, computer consulting on implementation of accounting software programs at clients' offices, and providing help to clients' accounting staff. She provides services to a variety of clients including the medical and legal profession, wholesale and retail businesses, and real estate ventures.

Betty is an enrolled agent with the Internal Revenue Service. An enrolled agent is a person who has earned the privilege of representing taxpayers before the IRS. This designation is obtained by passing an examination which demonstrates special competence in tax matters. Betty has a full-range of experience with computer software programs such as Peachtree, Quickbooks, Quicken, and ProFx.

Betty graduated from the University of Texas at San Antonio in 1984 with the degree of Bachelor of Business Administration with a concentration in Business Management. Since obtaining her degree, she has returned to the university and has taken additional accounting courses to broaden her knowledge. She also participates annually in technical continuing education classes provided by Sol Schwartz & Associates, P.C.
